### **Accessing Modderfontein Industrial Complex:**

#### **Tips before visit:**

#### **Driving in with your vehicle:**

1. Make sure you have a valid Driver's License
2. Make sure your car registration disk is up to date
3. Make sure you have not consumed any alcohol prior to visit.

#### **Procedure:**

On arrival, please park and enter permit office with the following:

1. Driving in with Vehicle:
  - Your driver's license
  - Memory of your vehicle registration number
  - If any passengers are entering with you, they need to be present with their ID document.
2. Being collected/Entering via foot
  - Your ID documents

Once entered permit office, they will ask you what company and who you are visiting and take your identity document to fill in Day Pass Ticket.

You will then have to watch an induction video of 7 minutes – (You will receive a ticket for watching the Video, this ticket is valid for 1 year, please keep this video on hand for future visits to avoid having to re-watch the video).

Once induction is complete, you can make your way to the boom with your day pass ticket and follow the map to find our Factory.
